James and Brenda Bufford, FHS Foster Parents of the Quarter

Foster parent of the quarter is an award reserved for one of our families who continues to demonstrate the spirit of what it means to be part of the FosterHope family. A family that provides a loving, nurturing home environment; participates in all monthly trainings; attends agency sponsored events; donates multiple hours of volunteer time to the agency; and most importantly works through all challenges to meet the needs of every child who enters their home.

FosterHope Sacramento is a small-but-mighty agency. Our staff works hard every day to get the small mountain of work done, to benefit foster children and foster families in Sacramento. The fact remains, to meet our high standards, we need the service of dedicated, loyal and compassionate volunteers from the community to achieve our essential work. On that account we are over the moon to welcome our new volunteers.

We welcome Cathy Simunek, Patricia Barkley, Lynda Reiner-Leith, Cheryl Black, Kierra Weaver, Megan Schor, Monica Merkel, Carol Wiseman, Michelle Wicker and Mary Allard!

Thank
*you!

The need for clothes for foster children is an ongoing concern. Everyone at FHS would like to thank Lucette, Bob and Ashley Camara for the many hours they have taken to help sort through many boxes, including clothes, to make this resource more amenable to foster parents. You're the best!
